### • PPR PIPES

-PPR Pipe  
 -PPR - Al - PPR pipe  
 -Glass Fiber PPR pipe  
 -PPR - Nano - PPR pipe  
 Size: 20mm - 110mm  
 Pressure: PN12.5-PN25  
 Connector: Welding  
 Applications: Drinking Water Cold & Hot  
 Color Available: All Customizable,Such as Green, White, Grey, Blue

### • PEX & PE - RT PIPES

-PEX - AL - PEX Pipe  
 -PEXa  
 -PEXb  
 -PE-RT Floor Heating pipe  
 Size:16, 18, 20, 25, 26, 32mm  
 Applications: Drinking Water Cold & Hot, Applied in Heating and Hot Water Systems  
 Color Available: All Customizable,Such as White, Red, Blue

### • PEX PIPES

Size:20mm - 160mm  
 Pressure: PN16  
 Connector: Thread Connecting  
 Applications: Agriculture, Water Distribution, Industry, Irrigation,etc.  
 Color Available: All Customizable,Normal Black color

### • PPR FITTINGS

Size:20mm - 110mm  
 Pressure: PN25  
 Connector: Welding  
 Applications: Drinking Water Cold & Hot  
 Color Available: All Customizable,Such as Green, White, Grey, Blue

### • COMPRESSION FITTINGS AND CLAMP SADDLES PP

Size: 20mm - 110mm

Pressure: PN16

Connector: Thread Connecting

Applications: Agriculture, Water Distribution, Industry, Irrigation, ect.

Color Available: All Customizable, Normal Black & Blue Color.

### • PVC THREAD FITTINGS & CPVC 2846 FITTINGS

Size: 1/2"-4"

Pressure: PN16

Connector: Thread Connecting & Glue

Applications: Cold & hot water

Color Available: White & Beige Color

### • PPH PIPE & FITTINGS

Size: 1/2" - 2"

Connector: Thread Connecting

Applications: Drinking Water Cold & Hot

Color Available: All Customizable, Normal Brown Color.

### • PEX BRASS FITTINGS

- PEX Brass Fittings

- PEX Press Fittings

Brass Standard: ≥57% Cooper Content

Size: 16, 18, 20, 25, 26, 32mm

Connector: Thread Connecting

Applications: Drinking Water Cold & Hot, Applied in Heating and Hot Water Systems

Color Available: All Customizable, Such as Golden, Silvery, Double Color

### • BRASS FITTINGS

Brass Standard: ≥57% Cooper Content

Size: 1/2" - 2"

Connector: Thread Connecting

Applications: Drinking Water Cold & Hot, Applied in Heating and Hot Water Systems

Color Available: All Customizable, Such as Golden, Silvery, Double Color

### • BRASS BALL VALVES

Brass Standard:  $\geq 57\%$  Cooper Content

Size: 1/2" - 2"

Connector: Thread Connecting

Applications: Drinking Water Cold & Hot, Applied in Heating and Hot Water Systems

Color Available: All Customizable, Such as Golden, Silvery, Double Color

### • BRAS TAP & MANIFOLD

Brass Standard:  $\geq 57\%$  Cooper Content

Size: 1/2" - 3/4"

Connector: Thread Connecting

Applications: Drinking Water Cold & Hot, Agriculture

Color Available: All Customizable

### • OTHER ACCESSORIES

- ANGEL VALVES

- FLOOR DRAIN

- SHOWER SET

- FLEXIBLE HOSE

- IRON PIPE CLIP

Size: 1/2" - 3/4"

Applications: Drinking Water Cold & Hot, Applied in Heating and Hot Water Systems

Color Available: All Customizable, Such as White, Red, Blue

### • PIPE TOOLS

-PTFE TEFLON

Size: 10m-30m

Max Degree: -190-260°C

Applications: Sealed Thread

-PIPE CUTTER

Size: 20mm-110mm

Applications: Tools

Color Available: All Customizable

-WELDING MACHINE

Size: 20mm-110mm

Applications: Tools

Color Available: All Customizable
