HVAC PRODUCTS

Size: 16, 18, 20, 25, 26, 32mm
PEX PIPES Size: 20mm-160mm
Pressure: PN16

Applications: Drinking Water
Cold & Hot
Color Available: All Customizable,
Such as Green, White, Grey, Blue

BRASS FITTINGS

Size: 1/2"-2"

Applications: Drinking Water
Cold & Hot
Color Available: All Customizable,
Such as Green, White, Grey, Blue

PEX PIPE FITTINGS

Size:16,18,20,25,26,32mm
PEX PIPES Size:20mm-160mm
Pressure:PN16

Applications: Drinking Water
Cold & Hot
Color Available: All Customizable,
Such as Green, White, Grey, Blue

PEX & BRASS & PPSU PRODUCTS

Size: 16, 18, 20, 25, 26, 32mm
PEX PIPES Size: 20mm-160mm
Pressure: PN16

Applications: Drinking Water
Cold & Hot
Color Available: All Customizable,
Such as Green, White, Grey, Blue

BRASS VALVES

Brass Standard: 57%
Cooper Content
Size: 1/2" - 2"

Applications: Drinking Water
Cold & Hot
Color Available: All Customizable,
Such as Green, White, Grey, Blue

BRASS TAPS

**Brass Standard: 57%
Cooper Content
Size: 1/2" - 3/4"**

**Applications: Drinking Water
Cold & Hot
Color Available: All Customizable,
Such as Green, White, Grey, Blue**

PPR PRODUCTS

Pipe Size: 20mm-110mm
Pressure: PN12.5-PN25
Fittings Size: 20mm-110mm
Pressure: PN25

Connector: Welding.
Applications: Drinking Water
Cold & Hot
Color Available: All Customizable,
Such as Green, White, Grey, Blue

CPVC & PRODUCTS

Size: 1/2"-4"
Pressure: PN16

Applications: Drinking Water
Cold & Hot
Color Available: All Customizable,
Such as Green, White, Grey, Blue

CPVC ASTM2846 SYSTEM (501)

- ✓ Corrosion resistance
- ✓ High temperature resistance
- ✓ Easy installation
- ✓ Fire resistant

- ✓ High strength
- ✓ Suitable for industrial environments
- ✓ Preservative
- ✓ High fluid efficiency

CPVC DIN SYSTEM (502)

CPVC SCH80 SYSTEM (503)

- ✓ High temperature resistance
- ✓ Preservative
- ✓ long life
- ✓ Non-toxic materials

PE&PP PRODUCTS

Size: 20mm-110mm
Pressure: PN16

Connector: Welding.
Applications: Drinking Water
Cold & Hot
Color Available: All Customizable,
Such as Green, White, Grey, Blue
